

## Approval of Nomination for the Private Sector Advisory Panel (PSAP)

The Secretariat has received a communication from the USA notifying a change in the representative of that country to the PSAP. The new appointee is:

Mr. Allen A. Terhaar  
Senior Adviser, Cotton Council International  
1521 New Hampshire Ave., NW  
Washington, DC, USA  
aterhaar@cotton.org  
Tel. (202) 341-9929

Nominations for membership on the Private Sector Advisory Panel (PSAP) for 2014/15 have been received or confirmed from eleven countries. Both developed and developing countries and producing and consuming countries are represented among those nominated. The nominations include influential members of the private sector of the world cotton industry, including officers of national cotton industry associations and executive heads of important companies involved in cotton production, spinning and trade. It is highly gratifying that industry leaders of this stature are willing to devote their time to ensure that the work of the member governments and the Secretariat of the ICAC is relevant to the interests of the cotton industry.

Additional nominations to the PSAP will be welcome. Nominations should be sent to the Secretariat via Coordinating Agencies or Delegates to the Standing Committee. When received, any additional nominations will be distributed to the Standing Committee for approval.
